

Crisps Paramount Garage Ltd

Experienced Mechanic/Technician required

We currently have a vacancy for an experienced Mechanic/Technician to become part of our small village based team in Knodishall

We have been a Renault dealer for over 30 years and have an excellent reputation for our quality and value for money, with consistently high scores for customer satisfaction recorded on the Renault UK website.

New for 2013, we have now added the "Dacia" franchise. With its range of four new incredible value-for-money models, Dacia sales have exceeded expectation, and are expected to grow next year.

As a Renault & Dacia dealer, a large proportion of our work is Renault/Dacia cars and LCV's, but we also sell and maintain a range of other makes and models, so you will need the ability to work on a range of vehicle with minimum supervision.

You need to be confident and fully competent in the servicing and repair of vehicles to the highest standard. As well as mechanical skill, you will also need knowledge of the electrical and electronic components of a modern vehicle, and be comfortable using the latest diagnostic equipment.

You will have a positive can do attitude, with good communication skills and the willingness to work as part of a team, to ensure the smooth and efficient flow of work through the workshop and ensure that we continue to meet and exceed customer expectations and maintain our high CS level.

An MOT tester is preferred although not essential if appropriate industry standard qualifications are held, enabling fast tracking to becoming a tester (C&G level 3 certificate in motor vehicle craft studies or NVQ equivalent). Manufacturer product training will also be available.

Our working hours are Mon to Fri, 8am to 5:15 pm, with alternate Saturday mornings as overtime.

Salary for this position is negotiable depending on your skills and experience.

To apply, please call Bob or Steve on 01728 830509, or if you prefer, email us with your information, attaching a current CV if possible.
